20 February 2023

Dear Parent/Carer and Student,

Year 10 GCSE Statistics Examination Information

As you are aware, Year 10 will be taking their GCSE statistics examination this summer. This letter outlines key information and dates to support students.

JCQ, the body which represents the Examination Boards, produces 'Information for Candidates' notices which set out the rules and regulations governing examinations. They are available on the school website. Please take the time to go through this so students and parent/carers know what is expected.

Below are the details of the upcoming examinations:

DATE	TIME	EXAMINATION	PUBLIC/INTERNAL	LOCATION
Monday 6 March	11.00am	Statistics Mock	Internal	Sports Hall / Link
Monday 12 June	Afternoon	GCSE Statistics	Public	Sports Hall / Link
Monday 19 June	Afternoon	GCSE Statistics	Public	Sports Hall / Link
Wednesday 28 June	Contingency date for public examinations - students must be available up to and including this date.			

Nearer the time, there will be an assembly covering the rules for taking examinations and students will be given their personal timetables. As well as key information, it will tell them the room that they should go to for each examination and their seat number.

Please note that all students must comply with the school appearance policy to sit their examinations. No mobile phones, wristwatches, or any potential technological/web-enabled sources of information are permitted.

In the Summer Term, we will be in contact regarding the Year 10 summer examination schedule which will involve internal examinations in all subjects.

If you have any questions about the examinations, please do not hesitate to contact me.

Thank you for your continued support.

Yours faithfully,

Mrs R Culling
Examinations Officer / Registrar
