

16 March 2023

Dear Parent/Carer,

**Year 11 Raising Standards Evening
Tuesday 28 March 2023 – 6.00pm**

After the Easter break, there are only four school weeks until the start of the main written examination season. We have scheduled an additional evening for students and families (lasting a maximum of 45 minutes) to support you with the 'final push'.

During the evening:

- Students will receive the results for their March PPEs.
- Final reports for the year will be given out.
- Students and families will be placed in a targeted group for a 25-minute talk about:
 - Effective revision strategies
 - Revision resources that can be accessed at home
 - How to structure the two-week Easter holiday
 - How to structure the weeks up to the exams and during the exams
 - How to support good health and well-being to maximise results
 - Key information for core subjects

It is vital that the two-week Easter holiday period is used wisely, and that students really get a significant amount of revision covered during this time. The main responsibility for your son/ward's academic progress over the holiday does rest with parents/carers; this short evening will help you support that.

Please complete the online form that was emailed, to confirm whether you will or will not be able to attend on the evening. The online form - which will take less than a minute - should be completed by 9.00am on **Monday 27 March**.

Thank you, in advance, for your support.

Yours faithfully,

Mr N Gaskell
Pastoral Leader - Year 11
