Dear Parent/Carer,

### Start of Year 11 and Year 10 Examination Results

We hope your son/ward worked hard for the Year 10 examinations and has a successful and enjoyable work experience. Below are some key points about the start of Year 11:

- Your son/ward's Year 10 examination results will be handed to your son/ward on their first day back in September; at the same time, you will receive their Year 10 attendance record.
- If your son/ward sat a public examination in Year 10 (e.g. GCSE English) they will be able to collect this result on Thursday 23 August at school between 10.00 and 11.00am. If they do not collect them, they will be handed out as above.

Below is key information about the start of Year 11 and some key dates for the Autumn Term.

May I also remind all parents that if you purchase any new items of uniform or your son/ward has a haircut for the start of the new academic year then, please, check the website and school planner for the published appearance policy to check the hairstyles and clothing styles that are acceptable. Any student in breach of the published standards at the start of term will, unfortunately, be sanctioned and may not be allowed to return to school or to lessons until the issue is corrected.

Finally, I would like to take this opportunity to thank you for your support during this academic year. We wish you a safe and happy summer holiday, and look forward to working with your son/ward in September during their very important Year 11.

Yours faithfully,

**Ms J Higginbottom**
