Dear Parent/Carer,

Year 9 Assessments

Please find enclosed your son/ward's Year 9 end of year results. In addition to your son/ward's individual reports, which indicate the levels he has achieved for each subject at the end of Key Stage 3, we also include your son/ward's Attendance Record for 2017-18.

Should you have any queries relating to this information, please contact your son/ward's Pastoral Support Manager in the first instance; they will note your query and seek the relevant information on your behalf.

Please be advised of the following information for the start of the next academic year. The information in **bold** relates to your son/ward.

We would like to politely remind all parents/carers that, as usual, the new term will start with whole school assemblies and reminders about the accepted standards including a full uniform and appearance check. To support this, if you are intending to purchase any new items of uniform or for your son/ward to have a haircut for the start of the new academic year then, please, check again the website and the published appearance policy to check the hairstyles and clothing styles that are acceptable. The school shop opening times are published on the website.

Any student in breach of the published standards at the start of term will, unfortunately, be sanctioned and may not be allowed to return to school or to lessons until the issue is corrected. Thank you for your support in this matter and, in the meantime, we wish you a safe and happy summer holiday and look forward to working in partnership again from September.

Yours faithfully,

Ms J Higginbottom
