

8 May 2019

Dear Parent/Carer,

### **'Get Into Teaching' Event**

**Do you want to make a difference in young people's lives? Are you passionate about a particular subject? Have you ever thought about training to teach?**

Come along to our 'Get Into Teaching' event on Tuesday 21 May at Isleworth & Syon School; it begins at 5.30pm, and we expect the session to last between 45 minutes and 1 hour. Over coffee and cake, we will talk to you about the different routes into teaching and what is available to you locally. We will provide information on funding and give you the opportunity to chat to some of our teachers about how they trained and which routes they would recommend.

If you would then like more information, we can arrange a school observation experience for you.

In order to attend the event, please email [llane@isleworthsyon.org](mailto:llane@isleworthsyon.org) to RSVP, by Friday 17 May. You will be required to bring photo ID with you on the day, which we will photocopy for safeguarding purposes.

Yours faithfully,

**Mrs L Lane**

Associate Assistant Headteacher - Initial Teacher Training
