

5 August 2020

Dear Parent/Carer,

School Shop - Appointment Booking

We can now confirm that the school shop will be open on Tuesdays, Wednesdays and Fridays for the month of August, from 9.00am - 12.00pm and 1.00 - 3.00pm. The school shop only accepts debit or credit card payments.

To keep the school site COVID-secure, the shop is available **by appointment only**. Without an appointment, you will not be able to purchase uniform. There will be a limit of 2 people per appointment - one of these should be your son/daughter/ward so that the correct sizes are purchased.

We have launched a brand-new booking system for making these appointments - more information is found below.

Using our Online Booking System

To book your appointment, you will be asked to enter student first name, student surname, and an email address. Please make sure that the email address is the same address where you received this letter.

You will then be asked to select a timeslot. Please only book one timeslot so that all families have the opportunity.

Some slots have already been reserved by new Year 7 students. The rest have now been offered to the rest of the school. Therefore, to avoid disappointment we recommend booking as soon as possible. If all slots are taken quickly, more will be made available in September.

The booking system is available at <https://www.isleworthsyon.org/shop/booking/>. The booking form will take a few seconds to load in the page.
