

26 February 2021

Dear Parent/Carer,

Additional INSET Day – Friday 5 March

We continue to plan for the full re-opening of school and will inform you early next week how we will be phasing the return of each year group.

In the meantime, please note that next Friday 5 March will be an INSET Day for all students. This is to allow for the mass testing of staff and so that the school site and the classrooms can be prepared for the resumption of on-site lessons. We will also be preparing the site for the mass testing of students.

We will not be setting classwork on the INSET Day, but would encourage all students to take part in some enrichment activities on the day (there are a range of opportunities on the link [here](#)). In addition, students should get their school bags and uniform ready for their return to school.

Testing for Students – Years 7-11

If you have not already responded to the consent form for lateral flow testing, please do so by clicking on the link [here](#) (Years 7-11 only).

Sixth Form students can give their own consent via the form that has been emailed to them.

Thank you for your on-going support.

Yours faithfully,

Euan Ferguson
Headteacher
