

5 May 2021

Dear Parent/Carers,

Additional INSET Day – Wednesday 9 June (Years 7-10 & 12)

With the cancellation of GCSE and Advanced level examinations, our staff are working hard preparing and marking individual student work ahead of the final submission of grades to the examination boards.

We have already added a number of meetings for staff to allow for the proper moderation and validation of work. In order to complete the requirements ahead of the national deadline, we will, like most schools, require an additional INSET day. This will take place on Wednesday 9 June. Please note this in your calendars.

We will not be setting classwork on the INSET Day, but would encourage all students to take part in some enrichment activities on the day (there are a range of opportunities on the link [here](#)).

Thank you for your ongoing support.

Yours faithfully,

Euan Ferguson
Headteacher
