

26 May 2021

Dear Parent/Carer,

### **Year 9 Summer Examinations Thursday 24 June – Friday 2 July 2021**

Please find below a list of the internal core examinations that your son/ward will sit this summer:

DATE	TIME	SUBJECT	DURATION
Thursday 24 June	Periods 3 & 4	English Reading	45 minutes
Tuesday 29 June	Periods 3 & 4	Mathematics	1 hour
Friday 2 July	Periods 3 & 4	English Writing	45 minutes

#### **Individual Candidate Timetables**

After half-term, your child will receive an individualised timetable which will show both the location where he will sit his examination and his personal seat reference number.

#### **Examination Rules**

Please note that for these examinations, we enforce the rules established by GCSE awarding bodies. This is to give students the opportunity to experience what is expected of them in public examinations and therefore prepare them for future examinations. The most important rule is that they cannot communicate in any way with other candidates, when entering, during and when leaving the examination. No mobile phones, smartwatches or any other potential technological sources of information are permitted in examinations. We will apply sanctions if students are not following the official JCQ examination regulations that are signposted on the school website [here](#).

#### **Examination Content**

These can be found on the subject's SharePoint or via the links below. Students should ask their subject teacher if they have any questions or concerns. Students will need to log in to Office 365 to access these resources.

<b>ENGLISH</b>	<p>Click <a href="#">here</a> to access the 'Of Mice and Men' Personal Learning checklist (PLC) to revise for your English reading and writing examinations.</p> <p>Click <a href="#">here</a> to access examination skills that are required.</p>

## Revision

It is now absolutely vital that your son/ward revises over the May half-term holiday period as well as in the lead-up to his internal examinations. To support this expectation, your son/ward must follow a number of steps:

### QUANTITY OF REVISION

Ensure that your son/ward revises for two hours each day over the holiday period and for 60 minutes every school evening. There is no such thing as having no PPA (homework); active revision is PPA. If he has not started revising already, it is never too late to do so. During the school holidays, active revision is best carried out in the morning and afternoon.

### QUALITY OF REVISION

Your son/ward must use the range of *active revision* techniques which he has been taught. These techniques are outlined on the school website [here](#). Passive revision techniques such as simply reading and/or highlighting text are wholly ineffective. Also, encourage him to:

- switch subjects and topics within subjects every 30 minutes; this is called interleaving and is a proven, highly effective technique to support long-term memory; and
- revise in a public space (not in his bedroom) until he has developed some “earned trust”. Ask to view the evidence of his revision on a daily basis.

### EXAMINATION COVERAGE

The internal examinations cover the full range of subjects. Given this, it is crucial that your son/ward does not just focus on his favourite subjects. Assessments in other subjects will take place in lessons at a time set by the class teacher.

Thank you for your ongoing support.

Yours sincerely,

**Ms J Higginbottom**  
Deputy Headteacher - Curriculum & Achievement
