A Statement from the Members of the Academy Trust – July 2020

On Monday 6 July 2020, Dr Roy Gardner resigned as a trustee from the Academy Trust. This was immediately accepted by the Members of the Trust who recognised the changing personal circumstances that led to this decision.

Dr Gardner had been a Foundation Trustee, appointed by The Senate of the University of London and he served the school consistently and with great commitment over a number of years. He also served as a member of the Standards Committee and was especially interested in teacher training and the wider development of the students of the school. As an educational consultant he brought a great knowledge to the trustee role and on behalf of the whole school community, we are grateful for his experience, wisdom and service.

We would like to take this opportunity to wish him well for the future.
