

9 July 2021

Dear Parent/Carer and Student,

Remote Induction Week, Day 5 On-Site Induction in September

We do hope that you and your families are keeping well.

The transition to secondary school can be a challenging time for many students but we have always endeavoured to make the move as straightforward and as easy as possible. Whilst we have not been able to hold an on-site induction day, I do hope that you and your son/ward have managed to access our website and follow the video welcomes, tours and the activities over the course of this week.

If you have not had the chance to do this yet, please do so, as they are designed to ease the transition to secondary school.

Autumn Term 2021

We have planned a slightly longer induction programme at the start of next term for your son/ward. Our new Year 7 students will return to school on:

Friday 3 September at 8.30am.

For the Friday and Monday, our new Year 7 boys will have an induction programme, which will allow them the time to get to know the school before the other students return. Our induction programme will be geared to understanding the school routines and to preparing them for the timetabled lessons that will start on Tuesday 7 September.

The School Shop and Uniform

Our shop is fully stocked with school uniform, PE & Games kit, and equipment and other items that are important for schooling. The shop will be open during the summer and we will be sending a separate communication to you next week, so that you can book a timeslot to come into school to make your purchases. In advance of this, you can view the items for sale on the school website [here](#).

Today's Tasks

When you come into school for the shop, your son/ward will be gifted a reading book as a welcome to the school and to support him in reading for pleasure ahead of the start of next term. Our Curriculum Leader for English, Miss Hannon, has made a short video explaining more about this book - and that is one of today's tasks.

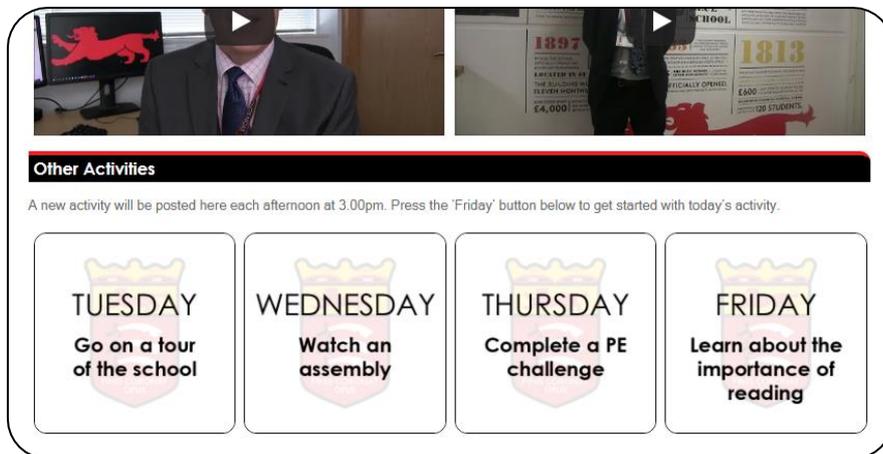

Continued on next page...

The other activity today is to watch four important presentations from senior staff in school, on:

- Ethos and values
- Teaching and learning
- Curriculum and achievement
- The Isleworth & Syon Way

Please do watch these videos carefully so that you are best equipped to become part of our community in September. Finally, we would appreciate it if you could complete the short feedback form to let us know your opinions about this week.

To access the activities, go to <https://www.isleworthsyon.org/remoteminduction/>, and scroll down until you see this:

Other Activities

A new activity will be posted here each afternoon at 3.00pm. Press the 'Friday' button below to get started with today's activity.

 <p>TUESDAY Go on a tour of the school</p>	 <p>WEDNESDAY Watch an assembly</p>	 <p>THURSDAY Complete a PE challenge</p>	 <p>FRIDAY Learn about the importance of reading</p>
--	---	--	---

Clicking on 'Friday' will take you to the activity.

Enrichment Programme

Throughout the summer, there are a series of enrichment activities available to our students on the school website. You can access them through [this link](#). Please do feel free to browse the site and pick any activities that may be of interest.

We cannot wait for the start of next term and we very much look forward to welcoming Abdalla into school in person. In the meantime, thank you for your continued support.

Yours sincerely,

Mark Dargan
Assistant Headteacher (Pastoral Leader, Year 7)

Euan Ferguson
Headteacher
