

19 January 2022

Dear Parent/Carer,

Face Coverings in Classrooms

You may have seen today's announcement from the Prime Minister that 'Plan B' restrictions are being lifted, meaning that face coverings in classrooms will no longer be mandatory.

Our data suggests that cases of COVID-19 are still high both in school and in the local community. For this reason, **face coverings will continue to be compulsory in classrooms**, unless an exemption has been requested.

Please be aware that this decision will remain constantly under review, in keeping with our aim to always ensure that we provide an excellent quality of education whilst keeping all members of the school community safe.

We have created a new section on the school website with some information about the pandemic - find it at <https://www.isleworthsyon.org/covid/>.

As always, please do continue to monitor our [school website](#) and follow our social media ([Facebook](#) and [Twitter](#)). In case you have missed it, we have also recently launched our new [weekly newsletter](#), The Isleworthian, which will be emailed to you directly every Friday during term-time.

Thank you for your continued support.

Yours faithfully,

Euan Ferguson
Headteacher
