

19 May 2022

Dear Parent/Carer,

Charity Drive - Food Collection

We are launching our next charity appeal of the academic year, between Monday 23 May and Friday 27 May.

This event aims to collect donations, in the form of food and other products, from Isleworth & Syon School to help support a local community project called 'The Community Food Pantry' at the Bridgelink. This project aims to provide provisions for those in need of support within the local community.

The whole school community will be encouraged to make donations. Students will be asked to collect food, cleaning products and toiletries. A list of specific items below are products that people ask for most and those in bold are the ones where they have a shortage in donations:

- Baked beans
- Tinned tomatoes
- Tinned veg
- Tinned cooked meals such as macaroni cheese, soups, etc
- Tinned tuna/fish
- Rice
- Pasta
- Tea and coffee
- **Cleaning products such as multipurpose cleaners, bathroom cleaners, surface sprays**
- **Kitchen roll**
- **Toilet roll**
- **Laundry detergent**
- Toiletries such as toothpaste, shower gel, etc.
- Sanitary products
- Bigger size nappies (sizes 4/5/6/7)

We thank you for your continued support with our school appeals and we hope you agree that these are all very worthwhile causes.

Yours faithfully,

Ms L Shukla
