### **A Statement from the Members of the Academy Trust – June 2022**

On 16 June 2022, the Headteacher, Euan Ferguson resigned as a member from the Academy Trust. This was to meet new requirements from the ESFA to, as far as possible, ensure that employees of the school do not serve as members of the academy trust.

To replace the headteacher, Mr Dwight Lawrence has agreed to serve as a member. Having had one son complete seven years of education at Isleworth & Syon School and another son still with us, he has a clear relationship with the school.
