A Statement from the Members of the Academy Trust – March 2021

On 30 March 2021, Miss Sandra Lawman resigned as a foundation trustee from the Academy Trust. Having started a new job, Miss Lawman felt that she could not continue with her commitment to the school and therefore the most sensible step for all, was to resign as a trustee.

This was immediately accepted by the Members of the Trust. We are grateful to Miss Lawman for her contribution to the board throughout her service.
