

6 September 2022

Dear Parent/Carer,

Open Evening Arrangements

This year's annual Open Evening will be taking place from 5.45 - 8.00pm on **Tuesday 20 September 2022**. Be aware that many students will be involved in either the evening displays or the tours that we put on for prospective students and parents/carers.

Early Close – 1.10pm, Tuesday 20 September

To allow students and the staff to go home and then return for the evening activities, the school will close at **1.10pm on Tuesday 20 September**. Students on Free School Meals will be able to obtain their meal at break or at 1.10pm from CucinA.

Late Start – 10.45am, Wednesday 21 September

As many students will be helping on Open Evening, we will also have a **slightly delayed start** to school on **Wednesday 21 September**. Students will be required to be back in school for **registration at 10.45am**; they will then proceed with the remainder of the school day.

We would be most grateful that if asked, your son/ward does help on the evening.

Currently our boys are consistently outperforming boys nationally and, hence, our students are our biggest asset; our students cannot fail to impress potential future families.

If your child is asked to help on the evening, a separate letter will be emailed to you with full details and a link to reply.

Progress & Partnership Day – Friday 14 October

Please note the date above in your diaries. All parents/carers in Years 7-13 will have an appointment with their child's form tutor to discuss progress. There will be no timetabled lessons on site, but work will be set remotely to allow for these appointments. You will receive a further communication soon where you will be able to select a specific timeslot.

Thank you for your support.

Yours faithfully,
