The BridgeLink Centre is a thriving community centre situated in Isleworth and hosts a wide range of activities and events for all ages, including our weekly clubs for children and young people.

We are seeking to recruit a **Part-time Youth Worker** to assist with the running of our Junior (8-11 years) and Senior (12-18 years) youth clubs.

This is an exciting opportunity to join our enthusiastic team to support and empower children and young people to grow, achieve and thrive. The post would ideally suit a candidate with a youth work or coaching background who can oversee activities, team games and multi sports activities.

Experience of working with children and young people is essential, and a coaching or youth work qualification is desirable.

For an application form or further information please contact the Community Projects Manager on kuldip.sandhu@bridgelinek.org.uk or call 07927 988362 for further information.

Come and work with our amazing team
