

24 February 2023

Dear Parent/Carer,

**'Macbeth' Performance**  
**Friday 3 March 2023 - 1.45pm**

We are delighted to be able to welcome theatre company The Globe Players back to Isleworth & Syon School to perform their brilliant adaptation of 'Macbeth' by William Shakespeare.

This is a wonderful opportunity for students to see a live performance of the play they are currently studying, with actors providing additional information about the play throughout the performance.

The study of 'Macbeth' in Year 9 is an important introduction to studying a whole play ahead of their GCSE Shakespeare text, which they will begin in Year 10. Live theatre is proven to help students understand the rich language, ideas and themes in Shakespeare's work and will undoubtedly support your son/ward's studies in Year 9 and through their GCSE years.

This performance will take place in the afternoon of Friday 3 March during their usual Period 5 lesson. They will finish school at the usual time.

We hope your son/ward enjoys this lively and informative production.

Yours sincerely,

**Mrs K Axten**

Deputy Curriculum Leader - English  
Year 9-10 and Literacy Co-Ordinator
