23 June 2023

Dear Parent/Carer,

### Wider Learning Week 2023 Sixth Form Futures Week

I am writing to inform you about our plans for Year 12 students during Wider Learning Week, which takes place from **Monday 10 - Friday 14 July**. A full timetable is attached to this letter. It is compulsory for all Year 12 students to attend sessions, even if presently they do not think they wish to apply to university. Students who have completed the Level 2 public service course are not required to attend.

### The aims of the sessions are:

- To introduce students to the process of applying to university.
- To register students on the UCAS website and support them in completing the personal details section.
- To support students in completing a first draft of their personal statements, ensuring it is uploaded to the Unifrog website.
- To help prepare students for Year 13 studies and future career pathways.

### Details are as follows:

- All students are expected to join an online meeting on teams at 9.00am on Monday 10
  July. Students can join the meeting via this link. At the meeting, they will be given
  instructions about completing review surveys that will help students reflect on their
  progress in Year 12 and help the school improve the curriculum and pastoral plan for Year
  13. (Please see the attached timetable for the day's itinerary.)
- There will be an opportunity on Monday 10 July for a small number of Year 12 students to be ambassadors supporting events for lower school. Students involved will be notified in due course.
- On Tuesday 11 July, all students will be expected to be on site for registration in the study room area at 8.45am. There will follow presentations aimed at supporting students transition to Year 13.
- On Wednesday 12 July and Thursday 13 July, students will be expected in school at different times to either complete their UCAS registration or attend a personal statement writing workshop. Students will be allocated slots as per their enrichment group in school (please see attached timetable).
- On Friday 14 July, students will be given the opportunity to come into school to complete
  their improved draft of their personal statement and for support with UCAS applications.
  Year 12 students will also be asked to complete a Springpod work experience online
  course of their choice to further support their future ambitions. The link to Springpod is
  here.

If you have any questions regarding the Wider Learning Week programme, please feel free to email me at jdoyle@isleworthsyon.org.

Yours faithfully,

g:Doyle Mr J Doyle

Assistant Headteacher - Sixth Form Leader

## WIDER LEARNING WEEK 2023 SIXTH FORM GROUPS

### Group A

Mohamad Abdul Ghani
