

4 September 2023

Dear Parent/Carer,

### KS5-Ready Evening 2023

I am writing to invite you to our KS5-Ready Evening. The event will take place on **Wednesday 13 September 2023**, at **6.00pm** in the main hall. At Isleworth & Syon, we know that parent/carer support is a key factor in delivering student success. During the evening, details will be outlined as to how this important partnership between the student, the school and home can be strengthened.

**“Parents have the greatest influence on the achievement of pupils through supporting their learning. It is their support of learning in the home environment that makes the maximum difference to achievement.”**

*-- Professor Alma Harris - 'Do Parents Know They Matter?'*

There will be a presentation from Mr Doyle and the Sixth Form Student Voice team outlining what the school will be expecting from your son/daughter/ward during this academic year and explaining some of the ways in which parents/carers can support achievement. We will be sharing information about the Sixth Form assessment cycle, along with how we intend to set targets, and how we plan to track, monitor, and support your son/daughter/ward's progress to ensure that they maximise their potential.

A range of resources, including the Sixth Form section of the school website, will be demonstrated to attendees on the night. We will be also requesting that you sign the Sixth Form contract with your son/daughter/ward on the evening. If you have individual questions, Year 13 students will also be available to speak to you.

The evening is expected to last approximately 45 minutes and will start promptly at 6.00pm. Due to limited space, only one parent/carer can attend with each student.

Please **[complete the online form](#)** to confirm your attendance to the evening.

We look forward to seeing you on Wednesday 13 September.

Yours faithfully,

**Mr J Doyle**  
Assistant Headteacher - Sixth Form Leader
