Are you aged 14-21 and live, work or study in Ealing or Hounslow? If so, we'd like to invite you to Gunnersbury Park & Museum's Young Curators Forum Information Session

The afternoon will be an opportunity to know more about what the Forum involves , have a private tour of our new exhibition, Set to Stun (Sci-Fi and Dr Who) and an opportunity to meet with our Senior Curator and Digital Engagement Producer to find out more about the different roles you can do in Museums .

We have also received funding to do a photography touring exhibition and are looking for young people to co-curate this exhibition with us and so there will be more information on this project and how to get involved
