## The Post

The post will offer the successful candidate a fantastic opportunity to join our excellent school, and to work within an inspirational and supportive team of staff. This post is permanent and will suit a colleague wishing to progress their career. The position is required to start in September 2024; NQTs can be employed in July.

## The Role

There are currently four members of staff, two full-time in music and two full-time in drama - and around ten peripatetic teachers. Staff teach across the full age and ability profile. Our current teaching team is a strong, dedicated group of experts committed to see all students achieving their potential.

All staff are subject specialists in their areas and have considerable experience of working as musicians, composers, performers and lighting designers. Colleagues collaborate closely and work exceptionally well together with a clear philosophy of openness, sharing and mutual support. Collaboration across the school takes place and drama and music are key components of several cross-curricular projects.

## CURRICULUM

In all three Key Stages, the aim we have for our students is to:

- Inspire a love for music and music making.
- Cultivate creativity and collaboration.
- Celebrate their achievements.

In Years 7 and 8, every student has one music lesson per week. Topics include Introduction to Sequencing, Voiceworks, Keyboard Skills and British Folk Music.

In Year 9, students are given the opportunity through the school's mini-options programme to choose two arts subjects to study twice a week. Students who select music then can go deeper into the subject studying topics such as advanced music technology skills and song production.

Those who continue with music are prepared for the rigours of the GCSE course with composition and performance projects as well as significant class time dedicated to developing writing about aspects of music. At GCSE level, students follow the Edexcel specification, which includes study of set works of Queen, Bach, John Williams and the Afro Celt Sound System.

At Key Stage 5, we offer the Level 3 RSL Subsidiary Diploma for Music Practitioners which focuses on preparing composers, performers and music technology specialists with skills and experience ready for music industry careers.

At all levels, examination results regularly exceed those for boys nationally and for those local boys in mixed schools.

## IMPACT

In recent years, the number of students going on to study at music college and university has flourished. Our students have received places to study at Rose Bruford, Leeds Conservatoire, Royal Academy of Music and Guildhall School of Music and Drama. We are proud recipients of the Music Mark given to schools which demonstrate a commitment to music.

## FACILITIES

The performing arts faculty has four teaching rooms, which were opened in March 2021. There are also a number of practice rooms and a recording space. All teaching rooms are equipped with interactive projectors. The department boasts a recently refurbished music technology suite with 26 Mac computers. There is also a teaching room that is well-equipped with musical instruments, a recording studio, live room and two practice rooms. The principal drama space is a black box studio with lighting rig, which can hold two classes and can be opened for a performance space and accommodate an audience of around 60.

The school hall acts as a stage area for larger-scale events including the Christmas Concert, School production, Drama & Music Festival and the Summer Arts Festival.

## EXTENDED SCHOOL

Our extra-curricular provision creates an outstanding variety of opportunities for all our students. Educational visits are regularly organised, and our musicians have performed at prestigious music venues such as the Royal Festival Hall. Additionally, the school hosts the Hounslow Music Service's weekday school each Wednesday evening.

---

Parents/carers are supportive and are kept informed of all aspects of their child's life at school through the Parent Portal, the weekly Isleworthian newsletter, social media, and the Annual Review.

## EXTRA-CURRICULAR ACTIVITIES

The performing arts are very popular with our students and there are many well-attended, long-standing clubs and activities that run as part of our tradition and as part of our commitment to the arts. These include:

- Senior school production
- Winter Concert
- Whole school production
- Drama & Music Showcase
- Battle of the Bands
- Summer Arts Festival
- Individual music lessons across a range of instruments
- Big band
- Music Technology Clubs
- Guitar ensemble
- Excellent links and activities with external providers
- Trips and visits to London theatres and music venues
